CONSTRUCTION & INTERIORS
AN ISO 9001:2008 CERTIFIED COMPANY

CONSORT BUILDERS PVT. LTD.

Build, Grow & Thrive

For nearly two decades, Consort has created and cared for the vital assets that enable societies and economies to live, thrive and grow.

Every day, at Consort, we work hard to build a more sustainable world. Our primary business is to develop housing, industrial and commercial properties. The company has a reputation of developing a number of hi-tech infrastructure projects. We have a broad footprint in the northern region, including Punjab, Haryana and the NCR.

We are now expanding to various geographical regions and key market sectors that will enable us to prosper today and grow sustainably for years to come.

At Consort, there is a strong culture of collaboration which means we can share and develop our deep expertise and deliver complete solutions in a unique way for the benefit of our clients.

We are one of the few companies with the skills to deliver complex projects of huge scale and take advantage of the growth in long-term infrastructure markets.

Our impact is in iconic structures, hidden innovation and bold engineering feats. The combined breadth of our capabilities and depth of our technical expertise makes us a one of the top players in the construction business.

What We Value

Integrity: Consort's culture is grounded in integrity and respect. This means holding the highest standards of ethical business practices. Our reputation for constantly adhering to these standards is one of our most valuable assets.

Quality: The company is built upon time-tested values of excellence and integrity. The reliability of our performance and the enduring quality of our projects, are reflected in our quality work for our customers.

Safety: We follow a safety program which is at par with top global companies.

What We Deliver

At Consort, business is a long-term endeavour that's reflected in our values, our vision and our client relationships.

We believe in creating opportunities to achieve the extraordinary. As a full-fledged infra company, we offer diverse services, including construction, consultancy and project management.

The services provided are world-class as we apply an unmatched combination of knowledge, skill, experience and customer commitment to every job.

Sustainability touches every aspect of our business. It not only helps in creating new business opportunities, sharpen our competitive edge, but also adds to our valued customers' long-term profitability.

Revenue

The success of our approach is evident in our growth, recognition and volume of new business.

Financial Yr	Turnover
2014 - 2015	65 Cr.
2015 - 2016	102 Cr.
2016 - 2017	180 Cr.
